

Thanks to everyone for making the beginning of the 2011 Gymkhana season a success!

There were 73 riders. We got started just after 9am and all events were completed by about 3:45. There were a few riders who took advantage of schooling to school a new horse.

The Board's communication with the County the weeks before the event resulted in a very prepared arena. Staff from County was on hand to be sure all our needs were met. Thank you County staff.

A big thank you to everyone who sold tickets for the Hay Raffle. The Club took in \$1,105! Congratulations to the members who won the awards for selling the most Hay Raffle tickets. The Hicks family won first prize by selling 183 Tickets, Debbie Parsch won second prize selling 102 tickets and Kathy McCabe took home third prize by selling 86 tickets.

A raffle was held for all the members that volunteered to help. Mike Palmer won a NAHA Hat More raffles to come for all who pitch in at future events.

Tickets were sold for the Saddle Raffle. \$50 was brought in on Saturday. Remember you can check out tickets to sell on your own (Contact Tandy Drye) or buy them on any day at Olsen's Grain.

The raffles to be held on June 4 and 5 will bring in money to purchase a carrying case for the new timer. So any items you can bring on June 4 or 5 would be greatly appreciated. Remember, if you bring in \$100 worth of donations the entire family rides free for that Gymkhana.

Great riding, see you at the next General Membership meeting on June 9, 6:30 pm Koch Field Fire Station. (There will be no special membership meeting on June 2.)
